Docket No. 98N-1265
Food and Drug Administration
6500 Fishers Lane 29 A9:46
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Here we go again!! I'm really
have to fight to be able to have medical
freedom to choose. I live in a very remote
place. beautiful but not very up to date.
I can see what this draft will do in
my life & that of friends. I just don't
need government in my pocket!! I had so
many more freedoms when I lived in the
Middle East. It's hard to believe. I love
my country, so once again, all I can do
is protest - anyone out there listening???
